

# Mindspace

**Dream Big.  
Start Small.**

**But most of all, Start**

# Mindspace NPO

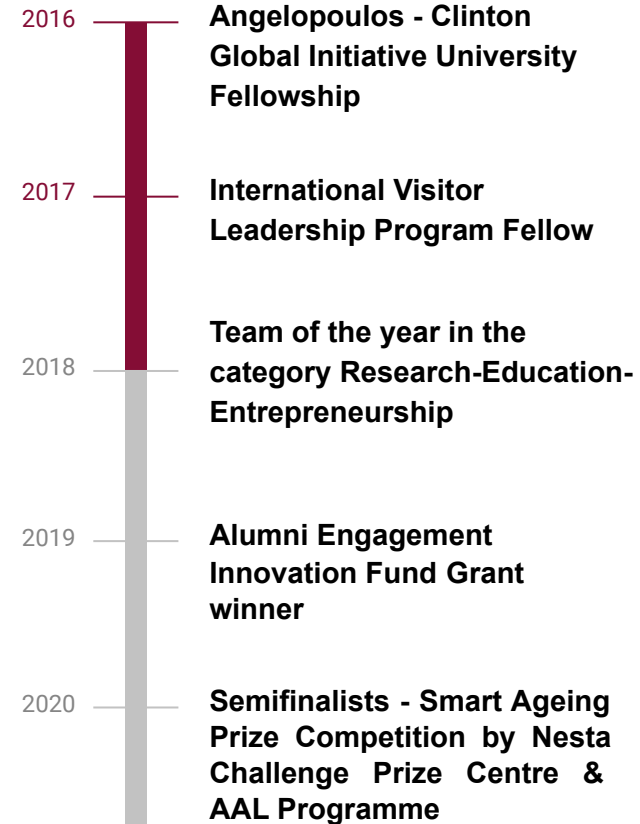

- Cultivate the entrepreneurial mentality in university students so as to empower their active participation in social, political and economic life and urge them to take initiatives for their personal and professional development under the scope of volunteerism and business.
- Create networks of students who will inspire and engage their peers in entrepreneurial and educational initiatives at a national, Balkan and international level.

**8 cities**

**> 80 active university students volunteers across Greece**

**> 450 students nationwide as participants in Mindspace Challenges & Workshops**
